Re: United States v. Egan, 10 Cr. 191 (JFK)

Dear Judge Keenan:

The Government writes concerning its motion to dismiss the joint petition of claimants Granite Check Cashing Service, Inc. and James Lieto (collectively, "Granite") in the above-referenced matter. The Government's reply in support of its motion to dismiss Granite's petition is currently due on or before Friday, December 24, 2010. The Court previously granted a two-week extension from the original date the reply was due.

Upon further review of Granite's opposition to the Government's motion and its cross motion for summary judgment, the Government respectfully requests an additional three weeks for it to file its reply brief in order to conduct further investigation into this matter. The Government has conferred with counsel for Granite, who has consented to an extension of the due date for the Government's reply brief to January 14, 2011.

The Honorable John F. Keenan

Respectfully submitted,
